Subject: Return Parts Shipping Labels

Page 1 of 2

Please be advised that the Return Part Shipping Address Labels are now available in pads of 50. The pads are free of charge through Technical Publications. Each self-stick Label has the order Part Number located on the bottom right corner. Please notice that the new ship-to addresses are shown.

The Labels can be ordered either online at

[http://www.beechcraft.com/customer\\_support/technical\\_publications/](http://www.beechcraft.com/customer_support/technical_publications/) or by emailing [tmde@txtav.com](mailto:tmde@txtav.com)

**Part Numbers to order:**

902-008 WARRANTY

902-009 ARG/NEW PARTS RETURN

902-010 EXCHANGE/CORE

902-023 RENTALS

902-024 REPAIR

Please be certain when returning parts that the proper Return Authorization paperwork is attached to each part shipping to Textron Aviation. **It is critically important to our receiving process that the proper paperwork is with each part and that the parts are shipped to the proper location. This will result in a much faster settlement of your claim and credit to your account.** Thank you for your cooperation with this essential requirement.

Please note: Parts received without proper paperwork will be subject to delayed processing. Provided that your contact information was included with the part, a request will be made, as time permits, for the information needed. If the requested information is not received, the part will be returned collect freight.
